

# Financial Adviser Profile

## Overview

Diligent Financial Services Pty Ltd (AFSL No. 535390) has appointed Chintan Engineer (Authorised Representative No. 1006106) as an authorised representative.

Chintan has been a Financial Adviser since 2008 and throughout his career in financial services, he has been passionately helping clients and been fortunate to offer advice to clients from all walks of life. The scope of his advice has been wide ranging from building wealth for the future to achieve financial freedom, paying down debt, personal protection, pre and post retirement strategies, and facilitating estate planning (financial planning related) advice.

He specializes in dealing with clients who are Delegators; people who are keen to delegate to free up their time so they can do the things they are passionate about. His clients value a long-term relationship and are willing and able to take advice. His clients understand and recognize that their financial affairs are best structured and managed by a suitably qualified professional and are prepared to pay reasonable fees for advice and ongoing service.

His long-term goal to personally establish a privately owned financial planning firm became a reality when he setup Diligent Financial Planning Pty Ltd in 2015 and this has allowed him to deliver advice that is not linked to or influenced by any financial institution.

Diligent Financial Planning Pty Ltd is a Corporate Authorised Representative (No. 1234150) of Diligent Financial Services Pty Ltd.

In early 2022, he proudly transitioned his business to being a Self-Licensed Practice so he can continue strengthening his brand of advice that is focused on his core ethos:

- always put our clients' financial wellbeing before our financial compensation,
- add substantial value to clients throughout our relationship so they can achieve all that is meaningful to them and
- refuse to accept commissions, incentives or kickbacks when giving advice.
